MEMORANDUM

TO	MKI Staff Board Members Shareholder Stakeholders Friends and Family
CC	Mr Sibusiso Mpungose CEO: MKI
FROM	Mr Sakhile Ngcobo Chairperson: Moses Kotane Institute (MKI)
SUBJECT	Passing Away of Dr Don Mkhwanazi
DATE	02 JULY 2016

Dear Colleagues

Our Institute mourns the sudden death of our beloved comrade and most esteemed and acknowledged leader, Dr Donald Mkhwanazi.

I extend sincere condolences on behalf of the Moses Kotane Institute Board of Directors. Dr Mkhwanazi has been an outstanding resource and intellect, serving the Institute since inception in 2009. His passing away has left a void which we will never be able to fill. He was a rare breed who kindled new hope of black empowerment through his creative vision and practices.

This great loss is not only for his family and the Institute, but for the rest of the South African people who continued to draw inspiration from him. We firmly believe that his legacy will live on in the remarkable group of leaders whom he mentored, and that they will carry forward the black empowerment struggles to which he dedicated his entire life.

With heavy hearts and deepest sorrow, we wish eternal peace to his departed soul. Lala kahle Ndonga, Lala kahle Spheshu, Madubandlela, Nkwaliyenkosi.

Yours sincerely,

Mr. Sakhile Ngcobo
